HAHNEMANN COLLEGE OF ALLIED HEALTH PROFESSIONS

Philadelphia, Pennsylvania

“The great thing in the world is not so much where we stand, as in what direction we are moving.”

Oliver Wendell Holmes

CLASS OF 1978

William Likoff, M.D.
President and Chief Executive Officer

I am immensely pleased to offer my congratulations through the pages of the first yearbook of the College of Allied Health Professions.

I fully expect this occasion will mark the onset of robust careers dedicated to compassionate service and personal fulfillment. I hope Hahnemann will serve you well in future years as an endless resource of pleasant memories and new and meaningful knowledge.

William Likoff

Congratulations upon completion of your education and training as an Allied Health Professional. Each of you has successfully completed an extensive academic program which has prepared you to function as a key member of the health care delivery team. You are about to embark on a career in one of the fastest growing industries in the United States today — the Health Care Industry. This is a dynamic industry and your role will be to serve as a dynamo to generate the energy required to keep the health care system moving forward on a straight, well-defined course.

I am confident that you will accept this challenge and predict that each of you will live up to the potential demonstrated while a student in our college. On behalf of the faculty and administrative staff, I extend to each of you our every wish for a happy, healthy, and successful career as an Allied Health Professional.
